

Mt. Spokane Ski & Snowboard Park

Mt. Spokane Ski & Snowboard Park is a non-profit winter alpine recreation facility located within Mt. Spokane State Park, just 28 miles from downtown Spokane.

We offer affordable skiing & snowboarding with 5 double chairs over 1,425 acres and 2,000 vertical feet, slopes for all ability levels, a mile-long terrain park, and the best undiscovered tree skiing in the area. Check out the largest and most highly certified Ski School in the region to discover a new sport or brush up on skills. We also have 40 nights of night skiing, more than any other local resort.

Near the mountain summit just above the top of Chair #1, the rustic, warm-hearted Vista House invites frozen visitors in for a refreshing beverage and snack break in front of the fire. Don't forget the cheap and convenient bus service from Spokane, which gets you up to the mountain before the lifts open on most weekends and holidays. Mt. Spokane State Park also offers cross-country skiing, snowmobile access, snowshoeing, and more.

Directions: FROM I-90

Take exit 287 for Argonne Rd and continue north on Argonne for 10-15 minutes. Take the first right at the traffic circle and follow signs to Mt. Spokane State Park & the Ski Area.

FROM SPOKANE

Follow Division St/Hwy 395 north to the Division St "Y". Take a right on Hwy 2. Turn right on Hwy 206 and follow the signs to the mountain, taking the second right at the traffic circle.
