

Information on Spokane

Greater Spokane Incorporated (GSI) is the Spokane Region's only Chamber of Commerce and Economic Development Council, working to grow jobs and business investment. GSI works to build a stronger economy and a world-class business climate in the Spokane area. The Spokane area serves as the business, transportation, medical, and culture hub of the Inland Northwest. The region provides an ideal balance for business success and recreational bliss. We invite you to explore what makes Spokane *Near Nature. Near Perfect.*
